Make your donations to Aquafest 2013

Sierra Nevada Community Aquatics (SNCA) has had a great response to our initial request for sponsors for this year's Aquafest event. In addition to the City of Reno's generous donation of the facilities for the event we have a number of local businesses that have agreed to support the event with donations of supplies and auction items. Financial support has been committed by the following:

American Assay Laboratories
City of Reno Neighborhood Advisory Boards
(Ward 1, Ward 2-South, Ward 3,& Ward 4)
NV Energy

Please join this growing list of supporters for the event by making a commitment at one of the levels outlined below or by donating items to our auction and raffle events.

- Donors of **\$2,500** and greater will receive recognition on all event promotional items, 10 event Tickets and an autographed / framed 24"x30" event poster
- Donors of **\$1,000 to \$2,499** will receive 6 event Tickets and an autographed / framed 11"x17" event poster
- Donors of **\$500 to \$999** will receive 4 event Tickets and an autographed / un-framed event poster.

If you are interested in sponsoring this year's event, we would like to have all event sponsor commitments in place by April 15th.

In addition to donations of cash and in kind services we are also in need of volunteers to help in the planning and hosting of the event. If you have any questions related to how you can get involved please contact our Event Committee Chairman Mike Ginsburg at (775) 834-7766 or mike.ginsburg@sncaquatics.org

The City of Reno Parks and Recreation Commission currently has two vacant positions and is looking for City of Reno residents willing to serve.

The primary purpose of the Recreation and Parks Commission is to provide broad citizen representation and oversight for the community on parks and recreation matters on behalf of the Reno City Council. The Commission reviews and makes recommendations to the City Council on a variety of topics related to parks, recreation, and community services including:

- 1) promoting, aiding and encouraging public recreation, including the development of recreation and park facilities;
- (2) maintenance, development, finance and operation of all city-owned or operated recreation areas and facilities, and developing rules and regulations governing the use of those facilities;
- (3) time schedules for acquisition, lease, dedication or exchange of lands for recreation or park purposes, and the development of park and recreation facilities;
- (4) annual budgets for recreation and park facilities and programs;
- (5) use and availability of facilities, rates, tolls and charges for services;
- (6) advocating for the recreation program so that it may receive adequate support from public officials, citizens and private corporations;
- (7) such other powers and duties as may be delegated by the director and/or city council.

The Recreation and Parks Commission meets in the evenings on the first Tuesday of each month for approximately 2 hours. Additional special meetings and subcommittee work may be involved.

If you are interested in getting involved visit the City of Reno website at Reno.gov to complete an application.

Moana Springs Recreational Complex Flat Fields and Baseball Fields open for Season

This spring has been an exciting time for the Moana Springs Recreation Complex (MSRC). While SNCA continues to press forward with the effort to bring a new aquatic center to the site several recent improvements are now under use by local residents and youth.

The Richard L. Jay Flat Fields had a Grand Opening Celebration this past Saturday. Past and present City Council Members, Parks and Recreation officials, GBYSL and RYSA members, UNR Women's Soccer team members, and many youth soccer players and their families were on hand for a brief ceremony followed by the sounding of a horn that signaled the start to a number of Great Basin Youth Soccer games.

Later in the day Reno Continental held their Opening Day Ceremonies. The event showcased the recent major improvements made to the Jack Tighe Field by Reno Continental and their generous supporters.

SNCA has been very encouraged by the support of the community in the redevelopment efforts of our MSRC partners and is excited to continue to work toward the ultimate goal of adding an aquatic center to the Moana Springs Recreational Complex.
