SNCA currently plans to host our annual fundraising event “Aquafest 2013” Saturday, August 17. In addition to your attendance and participation in the event there several other ways you can help SNCA has a commitment from the City of Reno to provide Idlewild Pool, the California Building and the adjacent park areas for the day long activities of the event, but will once again be looking for donors to assist with the other costs associated with hosting the event.

Upcoming Event Support - Adopt-a-Pool

SNCA Mission Statement:

Our mission is to promote, facilitate and coordinate the sustainability and expansion of aquatic resources within the Truckee Meadows.

Adopt-a-Pool Idlewild will be held Saturday, June 1, 2013 at Idlewild Pool. This event, now in its third year, assists the City of Reno in preparing Idlewild and Traner Pools for their seasonal operation. The event has been a big success with over 100 eager volunteers coming together to prepare the pools for opening.

The primary need for support for the event is participation in the week long volunteer sessions and the primary Saturday event. In addition to your manual labor we are looking for donors to cover the costs of T-Shirts and snacks and drinks for our wonderful volunteers. Any donor of **\$250** or greater in funds or in-kind services will have a logo placed on the event t-shirt and will be allowed to display a company banner at Idlewild Pool the day of the event.

Event sponsors will need to provide commitments prior to April 15th to allow time for T-Shirt printing. If you have any questions related to how you can get involved and help feel free to contact our Event Committee Chairman Mike Ginsburg at (775) 834-7766 or mike.ginsburg@snaquatics.org
