The refurbishment of all the shower heads resulted from a gift of plumbing parts by Sierra Nevada Masters (SNM) members to the City of Reno. Labor was provided by the City.

Sierra Nevada Community Aquatics (SNCA) has created an Existing Pools Repair Fund (EPRF) to continue such cooperative projects in the future. Additional projects have already been suggested and SNCA would like to hear your ideas as well. Repair/Improvement ideas can be sent to chip.hobson@sncaquatics.org.

As a kick-off for the EPRF, up to **\$2,000 in contributions made to the fund between Oct. 1 and Oct. 31st will be matched dollar for dollar by a generous member of Sierra Nevada Masters.** (A \$50 contribution will result in a \$100 deposit into the EPRF.)

Donations should be made to:

"Sierra Nevada Community Aquatics Fund"

Please be sure to note "Existing Pool Repair Fund" and intended pool to support in the memo

These funds are managed by, and can be sent directly to:
